Fake Drug Industry

1246. SHRI AMAR SINGH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware that Delhi is the transit point for the thriving Rs. 1500 crore fake drug industry with the drugs being produced mostly on the outskirts of the Capital and in Haryana and U.P.;

(b) if so, the details thereof; and

(c) how many times the Drug Controllers have raided the premises of such companies and showrooms of various traders/suppliers in Bhagirath Palace, Delhi, during the last two years and how many manufacturers and traders have been arrested during that period for selling spurious drugs?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) Under the provisions of Drugs and Cosmetics Act and Rules thereunder, the responsibility for regulating the manufacture and sale of drugs including monitoring their quality is vested with the State Government. Manufacture and sale of spurious drugs is a clandestine activity indulged in by unlicensed and anti-social persons and such activities are carried out atisolated places irrespective of State jurisdiction. This being an undercover activity, it is not feasible to assess the quantum of inflow of spurious/fake medicines. Delhi is having one of the biggest wholesale markets of drugs in the country and as such Delhi could be a transit point for transaction of drugs including drugs of questionable quality.

(c) As per the feedback made available by the Drugs Control Administration of Delhi, a statement indicating details of various raids carried out jointly by officers of Drugs Control Deptt., Govt. of NCT of Delhi and Delhi Police in different places including Bhagirath Place during the last two years for manufacturing and selling spurious drugs is at Statement.
